

KEVIN CASEY MUSIC PRESENTS **LIVE FROM NEW YORK**

1994-2001

This mixtape is a tribute to an era of New York hip hop. Made with the listeners' enjoyment in mind, it is a compilation of some of the highlights of this era. It is not a "Best Of", it is simply a collection of songs that deserve to be heard by new and old listeners worldwide. I encourage you to purchase and support the albums featured on Live From New York. With this support we can show the labels and the music community that there is still a large audience of people that want to hear this brand of hip hop. All songs are the property of their rightful owners, and this CD is not to be sold. Thank you and enjoy.
